Book Synopsis

Job Hunting Ninja Master 2017 is the next #1 BEST SELLER job-hunting guide to hit the bookshelves. Get your copy before your competition. If you could choose only one book to read to help you instantly master the job search process and successfully navigate your way through the maze of US government and corporate job markets; this is the must-read book to get in your hands. Scroll up and click the Look Inside feature on the top left side of the page to get a peek at this book's contents. If you're an employed or unemployed job seeker, this book is for you. Whether you have a degree, are working on a degree, recent grad or have no college education at all, this book is for you. First time looking for work, been working for decades, laid off or been out of the job market for a while? This book is for you. If you're job-hopping, changing careers or a transitioning military veteran, this book is for you. Whether you're a teen or older Millennial, Generation X, Baby Boomer or over 70 Traditionalist looking for work, this book is for you. While this refreshing new up-to-date guidebook uncovers the secrets of today's challenging job market, it will inspire and entertain you with life-changing experiences and hilarious wit and humor. Discover the latest statistics and studies by some of the smartest individuals, organizations and companies about every aspect of the job search process; what works and what doesn't for job seekers; and how to make that process work in your favor in finding jobs, negotiating your salary and benefits, passing interviews and getting hired. What happens to your resume after you upload it to a job search website? What if you knew how recruiters review resumes and how they select candidates for jobs? Can that information help get your resume noticed by them? You bet it would. The Job Hunting Ninja Master pulls back the curtain to show you exactly how recruiters review resumes and what they're looking for before they decide to contact you. You'll learn the secrets to what makes a winning resume that gets noticed and selected by recruiters and hiring managers every time. How do I ask for more money during salary negotiations? Are there right ways and wrong ways to talk about salary or ask for a

higher salary? How should I respond to salary questions from job recruiters or hiring managers? How do I know if I'm asking for too much or too little of a salary? How do I find out what salary to ask for my job? This manual will provide you plenty of proven information, scenarios and examples that will answer all of these questions. What's the difference between US government and corporate jobs and salaries? What are the differences in salaries between a company employee and a contractor? How does the federal job application process work? If I need a US government security clearance, how do I get one? You're one easy click away from learning the answers to these questions and more. What are the advantages of working in a direct hire position, contract position or contract-to-hire (CTH or C2H) position? What is an exempt employee or a non-exempt employee? What's the difference between a W-2, W-4, W-9, 1099 or Corp-to-Corp (C2C) job; and which of these jobs is best for me? Get the answers to these questions and more from the Job Hunting Ninja Master.
